Status de Serviço

🏠 > Status de Serviço

Digite então sua nova especificação no campo **STATUS** e clique em **SALVAR**

The screenshot shows a modal window titled "Novo Status" with a close button (X) in the top right corner. Below the title bar, there is a label "Status*" followed by a text input field. The input field contains the text "AGUARDANDO PEÇAS" and is highlighted with a red border. Below the input field, there is a red curved arrow pointing towards a dark blue button labeled "Salvar".

Pronto! seu novo status ficará disponível para utilização.
